WNC Boxer Rescue would like to announce our first ever Newsletter! Our main goal is to save as many Boxers as possible with the help from our community, volunteers and canine lovers. We hope this newsletter will help keep the community up to date with our rescue.

Currently our greatest needs are donations and foster homes. We are on an intake hold, due to the vet bill, which has sky rocketed due to a case of neglect with our demodex puppies, 4 other puppies that were rescued from a gassing shelter that ended up having parvo, plus a momma boxer and her newborn puppies.

**If you are interested in fostering please check out our website for an application and procedures. We need you!!!**

## Events:

Every Sat. we will be at Pet Supplies "Plus" on Hendersonville Rd. from 11-2 and the third Sat. of each month we will also be at PetSmart off Airport Rd. Stop by to show your support, meet all of our available dogs, check out our merchandise or just to say "Hi".

Our first annual Wiggle Butt 5K takes place on October 2, 2011 from 2-5pm, at Fletcher Community Park. We need volunteers, runners/walkers and sponsors. If you are interested, contact the rescue for further information or "Like" us at [www.facebook.com/wncboxerrescue](http://www.facebook.com/wncboxerrescue) to leave any comments or questions.

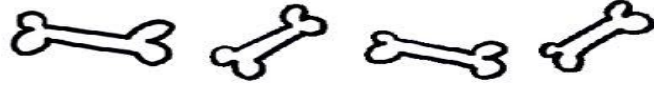

## DOG WASH/CAR WASH COMING SOON!

Be on the lookout for details. We still need volunteers to help with this event, so please contact us to help out. The event will take place at one of our Saturday adoption events at Pet Supplies "Plus" 1856 Hendersonville Rd Asheville, NC 28803

## Check out our August Boxer of the Month:

Faith is a boxer mix puppy that is in need of her furever home. She was rescued from a gassing shelter and ended up having parvo. She is now healthy, happy and such a cuddle bug. If you would love to adopt Faith, check out our website and fill out an application. Adoption fee is \$150, which includes her spay at 6 months old.

## Our first monthly newsletter is in remembrance of the Boxer that started it all:

Chazz Sampson Walker our beloved 12 year old boxer passed away on March 7, 2011. He was the leader of my own personal boxers and the reason I started this rescue. He was perfect in every way and accepted all my rescue boxers into our home. He was loved by all of our rescues and respected for his alpha leadership. As one person said to me today, he was the grandpa of all the dogs. He will be missed so much by myself and anyone who ever met him. This rescue will continue to save boxers in his memory and will never forget him. His memory will live on. I will miss you my loyal and loving friend. I will see you on the rainbow bridge one day, until then run and jump and play with all the others who came before you. I love you Chazz, Thank you for giving me the unconditional love that only you could."
